

CORQUIMIA

EXCELLENCE IN CHEMICAL SPECIALTIES

Distributor and producer of chemicals specialties for the coatings and construction industry

COATING DIVISION

Corquimia Industrial manufactures and produces additives and raw materials for the coating and construction industry

For more than 15 years we have been collaborating with manufacturers of paints, dyes, varnishes, and adhesives

True to our commitment to personalized service and respect for the environment, our range of products meets the best quality requirements.

Our flexibility and personalized attention set us apart!

CONSTRUCTION

Water repellents
Consolidation agents
Concrete release agents
Concrete bonding adhesives
Concrete fluidifiers
Concrete degreasers
Concrete cleaners
Redispersible resin
Silanes
Powder antifoaming agents
Powder water repellents
Powder dispersing agents
Metallic stearates
Titanium dioxide
Iron oxides
Sealants
Corrosion inhibitors
Cement modifiers
Flexible coatings
Crack filling resins
Tile adhesive resins

INKS

Titanium dioxide
Silicone fluids
Wax emulsions
Wax dispersions
Defoamers
Dispersing agents
Surface modifiers
Rheological additives
Water repellents
Organic pigments
Inorganic pigments
Acrylic resins
Solid acrylic resins
Polyurethane thickeners
Acrylic thickeners
Fumed silica
Bentonites
Matting agents

ADHESIVES

Polyvinyl acetate
Vinyl -Acetate copolymers
Vinyl -Acrylic copolymers
Defoamers
Acrylic and Styrene-Acrylic emulsions
Thickeners
Water repellents
PVA (Polyvinyl Alcohol)
Fumed silica
Triacetine
Acrylic solid resins
Glyoxal 40%

COATING DIVISION

PAINTS AND VARNISHES

RESINS

Acrylic
Solid acrylic
Styrene-Acrylic
Alkyd
Alkyd emulsions
Silicon
Polyvinyl
Vinyl acrylic
Vinyl acetate
Vinyl veova
PU resins

PIGMENTS

Titanium dioxide
Iron oxides
Organic pigments

VARIOUS

Wax emulsions
Wax dispersions
Chlorinated paraffins (45% - 52% - 70%)
Calcium stearate
Glyoxal 40%
Tetra-n-butyl titanate (TnBT)
Coalescing agents
Fumed silica
Precipitated silica
Acrylic thickeners
Polyurethane thickener
Bentonites
Silanes
Polyethylene waxes
Matting agents
AMP-90
Opaque polymers

ADDITIVES

Corrosion inhibitors
Dispersing agents
Wetting agents
Defoamers
Anti-cracking
Thixotropic agent
Rheological additive
Biocides (PT8)
Water repellent additives
Anti-graffiti
Film enhancer
Matting Agents
Zinc oxide nanodispersions
